## 17 INDICTED IN NEW ORLEANS HOSPITAL CONTRACT

### SHUSHAN AND 4 OTHERS WILL GO TO TRIAL MONDAY

Numerous Efforts To Delay Action In New Orleans Federal Court Fail

\$496,000 FEE ALLEGEDLY SHARED BY DEFENDANTS

Second Of Big 'Scandals' Cases To Be Tried By U. S. Tribunal

NEW ORLEANS, Dec. 2.—(AP)—Federal prosecutors, ready for the second test of their evidence against 17 defendants in the Louisiana hospital scandal, today prepared to take to the federal court in New Orleans the case of A. L. Shushan and four others on mail fraud charges.

Shushan, a companion of the late Huey Long and former president of the Orleans levee board, is charged with having received \$496,000 allegedly shared by defendants in the second of big 'scandals' cases to be tried by U. S. Tribunal.

The indictment was based on a bond refunding deal of the levee board under which a fee of \$100,000 allegedly was shared by the defendants and others.

The government's first 'scandal' verdict last September by obtaining a conviction for mail fraud against Dr. James Monroe Smith, former Louisiana State university president, Shushan was charged with being a companion of Huey Long, Monte S. Hays, former contractor of the state administration, J. Emory Adams, Shushan's nephew, and Louis LeSage.

They were charged with defrauding the U. S. of \$100,000 by selling to the government the right to refund the bond.

The indictment against the five going to trial in New Orleans charged that Newman and Harris, who were charged with getting the bond to approve refunding the bond, outstanding \$545,000 levee bond bonds.

It was also charged that Newman and Harris paid a \$12,500 bribe to Charles F. Egan, then acting as a 'fixer' and lobbyist, to receive confidential information about the bidders.

Newman and Harris won the contract with an attendant fee of 25 percent of the amount of interest saved by the refunding.

When the contract was completed, the indictment alleged, they billed the levee board for \$200,000 on the claim they had saved \$200,000 in interest.

The indictment charged that of the \$496,000 the defendants received \$388,210.01, Shushan getting \$132,740, Newman and Harris each \$99,500, Wagner \$46,460.01, and Miles \$19,810.

Huey Long, then governor of this state, after Shushan, after his indictment, the name of Shushan, stout, dark-haired ally of the Louisiana 'Kingfish' on his rise to fame, was removed from the levee board which then returned the New Orleans airport.

Shushan was acquitted of income tax evasion charges at a federal trial here in 1935, shortly after Long had been shot to death in the state capital building at Baton Rouge.

With his acquittal the government abandoned a number of other indictments on similar charges which it had drawn up against some of Long's lieutenants.

In recent weeks Shushan and his co-defendants have fought vigorously to have Monday's trial continued principally on the grounds that they could not have a fair verdict because of the newspaper publicity surrounding their case.

Hugh Wilkinson, Shushan's attorney, sought continuance on various grounds and charged the four New Orleans newspapers had conducted a campaign against him.

Judge Wayne G. Borah overruled all defense motions except the one in which Wilkinson asked that contempt proceedings be instituted against the local press.

The judge still has that motion under advisement.

Shushan, long a high lieutenant in the state administration ranks, dropped out of the political scene after his first indictment.

## Finland Fights Russia Fiercely

### Italians Denounce Russian Invasion

ROME, Dec. 2.—(AP)—Uniformed Fascists demonstrated against Russia today before the Soviet embassy and the Finnish legation.

Onlookers said there were 3,000 demonstrators, including many students, in the gathering before the Soviet embassy at which anti-Soviet slogans were shouted for half an hour.

Then the throng marched to the Finnish legation, where it cheered the Finns and denounced the Russians.

The demonstrations, uninterrupted by police, underscored the sympathy for Finland expressed by the Fascist press since the Soviet invasion of the little republic.

At the Finnish legation the demonstrators hoisted Finnish Minister Eero Järvelin on their shoulders and paraded him around the place. The expressions of sympathy for Finland took place only a week after the arrival of Nikolai Gorki, new Soviet ambassador to Rome.

### GIGANTIC CROWD WATCHES PARADE OF YULE FLOATS

Fifteen Thousand Persons Believed Present For Annual Christmas Event

The 1939 holiday season was formally ushered into Monroe and West Monroe Saturday and all north-east Louisiana thronged and choked streets and alleys to witness the parade which was the second annual event of the Chamber of Commerce.

Just how many people poured in here from the 14 parishes of the local congressional district will never be known but it was said that 15,000 would be conservative as an estimate of perhaps the biggest throng that ever congregated in the downtown section of the Twin Cities.

Long before 9 o'clock, Saturday morning, the crowds began to come, comprising men, women and children all embodied with the holiday spirit. Extra policemen directed all automobile traffic from DeLand street from the river to Five Points, the route of the parade which started from De-

Two Young Men Killed And Young Woman Critically Wounded

JONESBORO, La., Dec. 2.—(Special)—Two young men were dead and a young woman was in a critical condition at the Hodge clinic tonight as the result of a shooting in downtown Jonesboro that climaxed an 'eternal triangle' affair.

Earl Hutchinson, 27-year-old paper mill employee, believed to have been inspired by jealousy, killed his rival, Roy Kennedy, 29, critically wounded the woman in the case, Miss Thibodeau, 20, and then turned his gun on himself as a climax to the tragedy, according to reports.

Both Hutchinson and Kennedy died of bullet wounds through the heart. Miss Thibodeau, who was in a critical

### TUGWELL COMMENTS ON CHRISTENBERRY

BATON ROUGE, La., Dec. 2.—(AP)—State Treasurer A. P. Tugwell, candidate to succeed himself, issued a statement today in which he said he was 'not yet convinced' by the explanation of Earl Christenberry, his opponent on the Earl Long ticket, about jobs.

Tugwell's statement follows: "I have finally jarred Mr. Christenberry out of the governor's office, but I haven't yet pried him loose from the \$500 dock board job, nor have I stopped the \$1,500 per month that he draws as public relations director for the 'duties' he performs in the city of Washington. Furthermore, I am not yet convinced that Mr. Christenberry served as the governor's secretary for four full months without pay. As to whether he did or didn't could probably best be determined by digging into the governor's private 'deduct fund.'"

### DEFENDERS MEET SIGNAL SUCCESS IN SOME AREAS

Apparently Determined To Make Stubborn Stand On Mannerheim Line

COMMUNISTS ATTEMPT TO SET UP NEW GOVERNMENT

Group Reported To Have Concluded Mutual Assistance Pact With Soviet

By Associated Press  
Finland fought back fiercely yesterday in defense of her homeland and reported signal success in the Arctic Petsamo district while in the south her troops withdrew before the crush of Russian manpower to the prepared defense positions of the Mannerheim line.

On that line, miles of pill boxes and blackhouses, it was apparent that the Finns intended to make a stubborn stand.

The embattled Finns will resist as well as defend in their public demonstration of their leaders.

Vaananen, foreign minister in the reorganized Finnish cabinet of Premier Risto Ryti, declared in a broadcast to the United States that the "independence and integrity" of Finland "can not be destroyed by our eastern neighbor."

Soviet Russia, meanwhile, showed no weakening in her determination to batter down Finnish resistance and replace her government with one headed by a communist and proclaimed by the Soviet Union.

While Finnish officials in bomb-torn Helsinki heaped scorn upon its members, a "people's" government organized at Terijoki, and recognized by the Russian government, was reported in a Moscow broadcast to have concluded a pact of mutual assistance and friendship with Russia.

The broadcast said the "democratic Finnish republic" government, headed by Communist Leader Otto Kuusinen, agreed to incorporation of Russian Karelia in Finland in return for Finnish islands, naval and air bases.

These were items in the original Finnish-rejected Russian demands which led to hostilities.

A Finnish government spokesman at Helsinki called Kuusinen "the so-called prime minister who lived 20 years in Moscow as a traitor to the Finnish cause and now is seeking revenge."

At Helsinki the government of Premier Risto Ryti held two meetings and decided to submit the problem of Finnish relations to the League of Nations, of which Finland is a member.

The Finnish-Russian conflict developed into bitter fighting on land. Refugees said the Finnish column which drove Red army troops out of the Petsamo district killed more than 150 in their bitter counter-attack.

Norway, uneasy over Russian troops a few miles from her border, sent more reservists for border patrol duty in Finnmark, her most northern district.

Speculation on the possibility of friction between Russia and England was aroused by an unconfirmed report that British warships had been seen in the Arctic ocean near Petsamo.

Sweden's government ordered further military preparations, but it did not appear that general mobilization of her forces had begun. She was understood to have 100,000 troops under arms out of a maximum reserve power of 500,000.

A Swedish official said Sweden's hope was to keep calm and preserve her neutrality because "we are small."

### Monroe Newspapers Again Launch Good Fellows Drive To Enable Needy Children To Enjoy A Merry Christmas

News-Star And Morning World Give \$25 As The Initial Contribution

In pursuance of a time-honored custom, the News-Star and Morning World are opening the campaign for Good Fellows immediately in order to assure the less fortunate children and adults of Monroe and West Monroe that there will be a gleam of the Yuletide spirit in their midst. This newspaper starts off the campaign with a contribution of \$25 cash, and asks the public to add to it each day, and names of donors and the sums given will be printed daily in the columns of the papers.

For most of the children of the Twin Cities, the Christmas season is one to be looked forward to with delightful anticipation. How they count the days until good old St. Nicholas appears! With what bright anticipations they contemplate the happy morning when Santa Claus has brought during the mystical night! For them the event is one of unalloyed delight.

But what about the hundreds and hundreds of homes where there are no such happy anticipations and realizations? What about the boys and girls who will find in Christmas just another day of privation and disappointment?

For such as these, there will be no Christmas unless Good Fellows get busy and see that there is a more equal distribution of those good things that more favored ones enjoy.

For just such a purpose as this, the making assured that no deserving child is passed up, the Good Fellows movement was started by a civic-minded man in Chicago a few years ago. The idea spread from city to city and for some years now here in Monroe, the News-Star and Morning World have been active members of the Good Fellows group, ever eager to see that Christmas cheer is widespread. Every year there are many who perhaps have in past years possessed the average amount of good things of life, but who now this time find that Christmas has no cheer ahead for them. For these we make appeal.

We want the public to donate their money, be it large or small amounts to this most worthy cause. To those who give even if a most modest sum,

### WARREN SERVED IN DILLON CASE

Calls Sheriff And Says He Did Not Know He Was Wanted As Witness

J. Lloyd Warren, president of the Ouachita parish police jury, who had been widely sought as a witness in the embezzlement trial of Dr. Harvey Dillon, yesterday was subpoenaed to appear in court tomorrow morning.

Sheriff Milton Coverdale announced last night.

Coverdale said Warren telephoned him from his home in West Monroe Friday night declaring he had been in Texas on a business trip and had not known he was wanted as a witness for Dillon, ousted superintendent of the Louisiana Training institute, who is charged with the embezzlement of \$100,000 from the school.

The sheriff said Warren was served with subpoenas both for the defense and the state.

Early in the week the defense sought unsuccessfully to obtain a continuance in Dillon's trial because of the absence of Warren, who is president of the reformatory's board of commissioners.

Warren himself is under indictment for allegedly profiting illegally from gasoline sales to the parish while a member of the police jury. His case had been set for trial last Friday but was postponed when the Dillon case extended over its allotted time.

Trial of Dillon will be resumed tomorrow.

### Trojans Narrowly Miss Defeat By Washington

By Hugh S. Fullerton, Jr.  
NEW YORK, Dec. 2.—(AP)—Southern California's mighty Trojans had the closest call of a remarkable football season today as Dean McAdams, Washington halfback, nearly booted them off the undefeated list and out of the Rose Bowl.

The Trojans finally passed their way to a 9-7 victory over the Huskies in the last two minutes of a thrilling game and thus remained at the head of the Pacific Coast conference rankings.

That game was the climax of football's final big day of the 1939 season, a day which saw Duquesne dropped from the ranks of the undefeated and untied teams when it was held to a 10-10 deadlock by Detroit, and Navy.

### Sentiment In New Orleans Is Against State Machine

NEW ORLEANS, Dec. 2.—(Special)—Political leaders are busy here, but political estimators are busier. The pencil-wielders are working overtime to find bright spots in the table of probabilities. Speculation on how New Orleans will go in January depends upon who is telling the story.

At any political headquarters one may find, if he cares to make the effort, optimism among the experts that (in imagination and hope, anyway) sweeps their candidates into office.

Factional estimates of the probable result in New Orleans in January are as far apart as the poles. It is clear

as the noonday sun that in some political camps the workers tell the leaders exactly what they want them to hear, regardless of fact and truth. This is a stereotyped method of bolstering up confidence and making secure the worker's job. Too much reliance should not be placed on estimates from political headquarters.

To get a proper slant on the political situation in New Orleans one must study the trend of public sentiment. That it is today distinctly against the state machine is not to be denied. The tide of opposition set in when the

### NOE WILL PLACE CONTEMPT COUNT

Accuses New Orleans Civil Sheriff Of Violating Court Order

NEW ORLEANS, Dec. 2.—(AP)—Governatorial Candidate James A. Noe today said he would charge Civil Sheriff Louis Knop, Jr., Monday with contempt of the supreme court order which authorized photographing of the poll registration books here.

Earlier in the day District Attorney Nick Hertz refused to accept an affidavit from Noe charging Knop's deputies with violating a state law by refusing to let him photograph the books.

Noe, state senator and ally of the late Huey Long, but now a bitter foe of the state administration left behind by the Louisiana political dictator, for months has unsuccessfully sought access to the books which he said his opponents were trying to "fix."

Armed with the high court's order, Noe tried to photograph the books Thursday but was told by Knop's deputies that he could not because the sheriff was absent.

Noe returned again Friday with two photographers, was again refused permission.

### JONES DENIES HE WANTS \$5 POLL TAX

COUSHATTA, La., Dec. 2.—(AP)—Sam Jones, candidate for governor, denied tonight what he said was a rumor that he is "in favor of a \$5 poll tax."

Jones charged administration supporters had spread the rumor, and said, "well, the governor has nothing at all to do with that. And even if I was in favor of it, which I'm not, I couldn't do anything about it, because the free right to vote is written into the constitution and it would take a two-thirds vote of the people to change it."

He declared that he was "not going in there (the governor's office) to punish anybody. I'm going in there to see to it that you people get an honest administration of your state's affairs."

Earlier at Mansfield Jones paid tribute to Confederate veterans and asserted that the administration "lack the decency and honor" to pay them back pensions due.

"The only thing the present governor can say in his own behalf," he said, "is that he hasn't been indicted. He says that while at the same time he looks up all the state books and records and sits on the lockbox with the key in his pocket. The surface hasn't been scratched yet in the state scandal situation."

### U. S. GOVERNMENT CHARGES GROUP WITH MONOPOLY

13 Contractors, Three Firms And One Contractors' Association Accused

SAYS SUM ADDED FOR MEN BIDDING UNSUCCESSFULLY

Part Of Nationwide Investigation Of Reported Monopolistic Practices

NEW ORLEANS, Dec. 2.—(AP)—An indictment marking the federal monopoly investigation's first penetration into the south today charged 13 local contractors, three construction firms and a contractors' association with conspiracy to defraud the government through construction bids on the new \$14,000,000 Charity hospital here.

The indictment, initial action of the United States grand jury sworn in November 20, was part of a nationwide investigation of reported monopolistic practices in the building industry.

It charged that all the involved bidders added a specified sum to their offers for later division among the unsuccessful competitors. The hospital, one of the largest in the country, drew sharp investigation when it sank several inches shortly before its recent completion.

Construction firms charged were R. P. Farnsworth and company, Inc., which was awarded the \$715,000 foundation contract; W. Horace Williams company, Inc., and Doullut and Edwin, Inc.

Individuals indicted were Herman T. McAdams, Lionel F. Favret, Harry Boh, Arthur P. Boh, Arthur Lagarde, Summa Caldwell, Monte E. Hart, Theodore A. Pittman, Olin J. Farnsworth, W. Horace Williams, James P. Edwin, John W. Burke and Robert G. Burke.

The New Orleans chapter, Associated General Contractors of America, Inc., was also charged in the indictment which alleged conspiracy to defraud the government and diversion of FWA funds.

The indictment charged that all the contractors who bid on hospital foundation work "would arbitrarily add to the amount of his bid on said contract a sum in excess of \$1,500 which sum represented the estimating, quantitative survey and chapter fee of all the bidders."

J. Skelly Wright, United States district court attorney, explained that the Association of General Contractors has a schedule of chapter fees ranging from \$30 on contracts up to \$5,000, to a fee of \$999 on contracts above \$50,000.

After the Farnsworth company had been awarded the contract, it was charged, the firm paid to the association's chapter here \$5,292 "of which amount \$7,620 had been added to the amount of its said bid on the foundation."

Thereupon, the indictment continued, the association's chapter on August 20, 1939, paid out to the successful bidders the sum of \$949 each and paid a similar amount to the W. F. Jackson company for its

### C. E. BYNUM, SR., STRUCK BY AUTO

Suffers Broken Left Leg And Bruises; Taken To Riverside Sanitarium

C. E. Bynum, Sr., of 403 Gramme street, suffered a severe fracture of his left leg and minor bruises late yesterday afternoon when hit by an automobile as he was crossing the street near his home.

Mr. Bynum, a patient at the Riverside sanitarium last night, was said to have received a compound fracture of the leg just above the ankle.

An automobile reported driven by Mrs. J. J. Dieterich, 608 South Third street, was said to have hit Mr. Bynum as he was crossing the street in the 200 block of Calappa street.

Mrs. Dieterich, in a report to police, said she was driving north on Calappa street at about 20 miles an hour when Mr. Bynum stepped from between two parked cars into the path of her machine, and that she did not see him soon enough to avoid hitting him. Mr. Bynum was said to have been walking from the east side of the street to the west side.

A PERSONAL STATEMENT

To the people of Jackson and Ouachita parishes branding as false and malicious the recent charges made against me by Mr. Paul Fink

In his radio address given over Station KMLB on Thursday night, November 23rd one of my opponents, Mr. Paul Fink, made the direct charge that I had attempted to bribe the jury in a case which I had been called upon to try. He stated that he had been told by a confidential source that I had offered the jury a large sum of money to return a verdict in my favor. This charge is completely false and malicious. I have never attempted to bribe the jury, nor have I offered them any money. I am a man of integrity and I have always acted in the best interests of the public.

Since that time I have repeatedly, in my personal appearances, given the public the charge AND I NOW TAKE THIS MEANS, THROUGH THE MEDIUM OF THIS PAPER, OF ASSURING EVERY CITIZEN OF JACKSON AND OF OUACHITA PARISHES THAT BOTH HIS DIRECT CHARGE AND HIS SUBSEQUENT STATEMENTS ARE MALICIOUSLY FALSE.

THE DIRECT CHARGE THAT I ATTEMPTED SUCH A CAUSE, IF IN FACT IT WERE HELD, IS OF COURSE ABSURD, AND I NOW BRAND HIS SUBSEQUENT MILD STATEMENTS AS LIKEWISE BEING MALICIOUSLY FALSE BECAUSE, SINCE I HAVE TAKEN NO PART IN THE PRESENT RACE FOR GOVERNOR AND HAVE NOT ATTENDED ANY CAUCUS HELD IN THE INTEREST EITHER OF MR. LONG OR OF ANY OF THE OTHER CANDIDATES FOR GOVERNOR, IT IS IMPOSSIBLE FOR MR. FINK TO HAVE RECEIVED HIS SO-CALLED "RELIABLE INFORMATION" FROM ANY INFORMANT—RELIABLE OR OTHERWISE.

Whether Mr. Fink's direct charge and subsequent statements on the subject are deliberately false or whether they have been recklessly made in more disregard of the true facts I do not know. And as a matter of fact it makes little difference whether the falsity of these charges and statements is the result of deliberation or recklessness. Because in either event the malice with which they have been uttered is equally apparent.

Under ordinary circumstances it would perhaps be unnecessary for me to make such an emphatic denial of Mr. Fink's charges and statements. Every man has the right to give his support to any candidate for office whom he may prefer and no moral turpitude is involved in his expression of such preference.

But I myself hold that a candidate for office in the legislative branch of our government—a candidate for the office which both Mr. Fink and I are seeking and which can be won by only one of us—such a candidate cannot espouse the cause of one gubernatorial candidate to the exclusion of all the others and still maintain himself in a position to serve the best interests of the constituency which he is supposed to represent. And with that belief and with that conception of integrity as it should exist in the office of state senator I have held myself above any part in the factional strife which is being waged over the office of governor. I HAVE GIVEN AND NOW REPEAT TO THE PEOPLE OF THIS DISTRICT MY UNQUALIFIED ASSURANCE THAT I HAVE NOT TAKEN AND WILL NOT TAKE ANY PART IN THE RACE FOR THE OFFICE OF CHIEF EXECUTIVE AND AS A CONSEQUENCE THE FALSE CHARGES AND STATEMENTS WHICH MR. FINK HAS THIS MALICIOUSLY UTTERED CONSTITUTE UNDER THESE CIRCUMSTANCES AN ATTACK UPON MY OWN PERSONAL INTEGRITY AND THEREFORE MERIT THIS DENIAL FROM ME WHICH UNDER OTHER CIRCUMSTANCES WOULD BE UNNECESSARY.

Just what political caucus Mr. Fink had in mind in making his charge and statements, I do not know. As a matter of fact I do not even know that any such caucus was ever held. Certainly in view of the falsity of his charges and statements concerning myself, his unsupported statement that any such caucus was ever held cannot be depended upon. One must require corroboration which has so far not been forthcoming before it can be accepted as a fact that any such caucus was in fact held anywhere other than in Mr. Fink's own imagination.

Granting that such a caucus as Mr. Fink refers to was held, however, and granting that his charges and statements are recklessly rather than deliberately false, I do not know what foundation, however flimsy, he can have for his charges. In his radio address he stated that, if they were true, he would withdraw from the present race. This, of course, was merely an empty boast made with just as little sincerity as were his charges themselves.

Although these charges and statements not only are not true but are maliciously false, I for one do not want him to carry out this empty threat as I would prefer to see the people of this district BY THEIR VOTES cast him into the political discard.

But I brand his charges and statements as maliciously false and call upon him again as I have called upon him from the same speaking platform on more than one occasion in the past ten days to prove the statements which he has thus made. No attempt at such proof has been forthcoming up to the present time and under these circumstances he must stand before the people of this Senatorial District as a convicted falsifier, desperately attempting to gain by misrepresentation, support which he could not otherwise hope to receive.

I do not propose to indulge in further personalities in this campaign unless forced to do so. I HAVE TAKEN THE TROUBLE TO BRAND HIS PRESENT CHARGES AND STATEMENTS AS FALSE NOT BECAUSE THEY INVOLVE IN THEMSELVES ANY MORAL ISSUE BUT BECAUSE THEY CONSTITUTE A DIRECT ATTACK ON THE TRUTH AND SINCERITY OF THE ASSURANCES OF IMPARTIALITY WHICH I HAVE GIVEN YOU—A DIRECT ATTACK, IN SHORT, UPON MY PERSONAL INTEGRITY WHICH I CANNOT PERMIT TO PASS UNNOTICED. AND I WOULD BE JUST AS QUICK TO RESENT ANY SIMILAR CHARGES WHICH MIGHT DIRECTLY CONNECT ME WITH THE CANDIDACY OF MR. NOE, MR. JONES, MR. MORRISON, OR MR. MOSELEY.

I do not know what further misrepresentations Mr. Fink may resort to in the remaining weeks of this race; nor do I feel it should be necessary for me to take occasion to deny or refute such misrepresentations as he may make. Having exposed his present misrepresentations, I have every confidence that the people and voters of this District can and will judge for themselves as to the falsity of any similar charges which he may make in the future.

## TRAFFIC BUREAU ISSUES REPORT

Details Listed Of Efforts To  
Protect Twin City  
Shippers

The annual report of the Monroe Traffic Bureau has just been issued by Chairman M. S. Biedenhorn, which shows unusual activity in an endeavor to adjust rates and to obtain the best possible transportation facilities for shippers of the Twin Cities and vicinity.

The report is as follows:  
"The Monroe Traffic Bureau has been well occupied during this year in watching the numerous changes made in the rates, services, etc., particularly with view of seeing that no unjust discrimination occurred that would injure our shippers and receivers of freight of Monroe and West Monroe. Due to the intensive competition for business now existing among the rail and motor carriers, individual changes have been made in the rates applying on practically all commodities. While these changes were practically all reductions, our chief concern, as stated above, was to see that no rates were put into effect that would injure our shippers and receivers of freight and benefit our competitors. A great many of these matters were not handled with the individual carriers but with the proper regulatory bodies. Considerable additional changes are to be made, and we will be fully occupied in protecting your several interests in the future."

"Some of the detailed things accomplished during the year follow:  
"Furnished various routings in order for members to receive benefit of lower rates, quoted in numerous cases before shipments moved, furnished rate statements and kept them up to date when changes were made, advised in advance of increases in order that shippers might take advantage of the then-existing rates, audited thousands of freight bills and saved in overcharges claims, etc., \$2,563.75. Also prevented various overcharges and errors by close cooperation with the individual carriers and motor carrier rate clerks in straightening out the charges before collections, not only for members but for the public in general. Possibly more overcharges could have been collected if more of the members had sent in their freight bills for auditing. We urge that you do this, as during the latter part of 1939 there were considerable reductions in the rates which no doubt will result in quite a few overcharges. We want to advise you to the best of our ability and will continue to look after your interests in a general way, but in order for you to get direct benefits it will be necessary for you to contact us and also send in your freight bills for auditing."

"From the present outlook the entire transportation picture is going to be changed, that is, as far as rates, services, etc., are concerned. The following are some of the most important changes that are going to take place:

"A further realignment of the rates to Vicksburg and other Mississippi river points on the one hand and Monroe and West Monroe on the other, for the purpose of further removing any discrimination that now exists."

"Hearing before the interstate commerce commission will shortly take place in connection with providing the same level of rates on commodities produced in this section to northern points as apply between northern points."

"A general investigation in both the rail and motor carrier classifications with view of modernizing them, for at the present time the classification ratings have become antiquated."

"A general investigation of the entire class rate structure applying via rail, water and motor carriers."

"Cooperating with the governmental authorities in the way of furnishing rates, statistics, tonnage, etc., in connection with proposal to deepen the Ouachita river channel to nine feet."

"There is now pending before congress a transportation bill, which we believe will be passed at the next session of congress, and which will no doubt call for a general revision of transportation in its major aspects. The contemplated bill includes the regulation of water transportation by the interstate commerce commission."

"The transportation legislation which is now pending and will no doubt be passed at the next session of congress affects all modes of transportation, rail, water and motor truck, and involves very radical changes which contemplate a great many departures from our present mode of handling freight. It is, therefore, going to be necessary for us to be fully prepared to secure our just desserts when this legislation becomes law. The only way that this can be done is through an alert and efficient traffic bureau that is capable of meeting new situations as they arise. We, therefore, trust that this report will meet with your approval and that you will continue your active support and cooperation with the bureau in order that we can carry on this necessary work."

## MONROE FIREMEN HAVE BUSY TIME IN PAST MONTH

Monroe firemen answered a total of 285 calls during November, according to the monthly report issued yesterday, with grass fires predominating. Firemen extinguished a total of 149 grass fires during the period.

Seventeen house fires were extinguished, but damage as a result of the blazes were small in most cases. The most serious of November residential fires was the burning of the Tony Casco home, 714 Standifer street, nearly four weeks ago. The home of R. L. Ford and G. W. Lovelady, 2712 May street, suffered damages estimated at \$700 when the roof was burned off a week ago. All other house fires were principally in negro homes and damages were slight, the most frequent cause being defective flues or soot burning in chimneys.

Other calls answered by firemen were listed as follows: trash fires, seven; automobile fires, 10; miscellaneous calls, seven; miscellaneous fires, 13; and business calls, two.

Firemen made 181 runs inside the city limits of Monroe and 24 calls outside the city limits; they spent 109 hours and 35 minutes extinguishing fires and 10 hours and thirty-two minutes on miscellaneous calls.

In most instances the fires were extinguished with a booster pump, an apparatus carried on the fire trucks. 132 blades being extinguished in this manner. Forty-one fires were extinguished by hand, and hose lines were used to put out ten.

"SUIT WORRYING  
FATHER DIVINE

NEW YORK, Dec. 2. (P. M.)—Harlem's laid-back Father Divine brooded tonight over whether he might not just expedite for 1940 years in disquiet over a lawsuit that may expose the secrets of his multimillion-dollar religious cult.

Father is very, very disgusted," said one of his disciples. "He may just expedite."

Barring a carrying-out of this threat to "steam off" the terrestrial premises the estateable Baltimore odd-job man who became the Messiah of thousands of disheveled, peace-shouting "angels" will go on trial Monday in state supreme court in an equity action for \$4,476 brought by one of his recanting followers.

"I paid all this money," said the complainant, Mrs. Verinda Brown, a cook, in the belief that unless I did so I was doomed to everlasting misery. And that by giving the money to Father Divine, I was depositing it in what heavily treasury and was in that way assured of eternal life."

Mrs. Brown, who said she was also acting for four or five other "ex-angels" with claims totalling about \$22,000, said her interest in Divine's "peace, ain't you glad?" movement began to curdle when the pudgy five-foot preacher became "too grasping and demanded most of her husband's wages."

Morrison Asserts Governor Will Do Well To Run Third In Primary

FERRIDAY, La., Dec. 2.—(Special)—James H. Morrison, candidate for governor, exhibited his "conviction" in Texas and Concordia parishes today, stating a torchlight parade here today, and followed it up with vitriolic, searing attacks upon the Leche-Earl Long political machine.

Parades and addresses were held today at Newellton, St. Joseph, Waterproof, and Vidalia. Morrison exhibited his live monkey at each place, introducing it as "Earl Long" to the hilarious response of crowds. The monkey is marked with two "double crosses" and is carried by striped canvas imperator. Morrison, Robert S. Morris, Morrison's brother, and S. Morris, Morrison's brother, are not to call the monkey "Earl Long" when near him because the monkey apparently imitated, had all-

ready bitten one farmer who called him "Earl Long."

"Without the administration machine Earl Long can't get ten per cent of the votes for even a lot of his relatives won't vote for him," Morrison declared tonight.

Morrison charged that Earl Long has started "a stupid whispering campaign" among the dead-end payroll boys to the effect that he will win in the first primary.

"Anyone with any sense in Louisiana knows that this little yellow rat will do good to run third in this race," Morrison said. He declared that thousands of sincere honest state workers won't cast their vote for Long.

## MURPHY REJECTS LABOR CONTENTION

WASHINGTON, Dec. 2.—(AP)—Attorney General Frank Murphy today rejected the American Federation of Labor's contention that unions were exempt from the anti-trust laws, and declined to interfere with the present anti-trust inquiry into the building industry.

In a letter to President William Green of the A. F. L., who had protested against indictment of unions and asked for a "frank statement" of policy, the attorney general said that the supreme court had ruled in several decisions that the anti-trust laws applied to the activities of labor organizations and their members.

Since the nation-wide building inquiry was begun in October, indictments have been returned in five cities, and in four of these labor unions or members have been charged with violating the Sherman anti-trust act.

## CHAPTER XXX

Dan left the house through the back door. He took no chances by venturing through that mob downstairs.

He hailed a cab on the corner and climbed in. "Hotel Regent," he directed.

The entire downtown district was just a bedlam of noise and confusion. Thousands jammed the streets, hotel lobbies and bars in hilarious celebration. High above the pavement some of the more racy celebrants in their rooms dropped paper bags of water on unsuspecting but unprotesting pedestrians.

A shower of feathers broke over Dan as he alighted from the cab. Someone on the seventh floor of the Regent had slit open the pillows as a substitute for confetti.

Street cars were tied up for two blocks as well-worn undergraduates pulled the redlines from the wires. Police whistles shrieked unheeded as traffic rules and regulations were tossed to the winds. But the police wisely and good-naturedly forgave everything as the town celebrated.

The lobby at the Regent was in an uproar. The management, with great discretion, had removed the rugs and more expensive furniture. A dozen old girls had peeled off their coats and were replacing the same over in the corner as a police captain acted as referee.

Dan jumped back just in time as three freshmen splashed by with a large gold fish aquarium they had ap-

propriated from the far side of the lobby.

He called the Johnson suite on the house phone. "I don't dare to be recognized," he told Joan. "Where'll I meet you?"

Her laugh tinkled back over the wire. "Quick into an elevator and come right up. Dad's ordered dinner served in the rooms."

J. G. met him at the door. "Well, come, young man. I'm glad you came. Sit down, sit down."

J. G. shifted his cigar and drew up a chair. "Joan'll be right out. You know how women are with their makeup. . . . Silly stuff. . . . Silly, I say."

Dan had no opportunity to comment as J. G. rumbled on. "How's the hand you feel tired. . . ."

Joan, appearing suddenly, rescued him. She took Dan by the arm. "Quit playing him, Pop. He doesn't want to talk. He wants to eat. Right?"

It was a delicious meal, but Joan, glancing at him every once in a while, sensed something was wrong.

"Dan. . . . there's something bothering you."

"Guess I might as well tell you," he replied quietly. "I found a letter at the house when I got back. It wasn't good news at all."

"What's wrong, boy. . . . what's wrong?" J. G. demanded. "Nothing we can't fix. . . . nothing we can't set right. . . . speak up, son. . . . I'll take care of it."

"Thanks. You overwhelm me," he replied a little dryly, "but this is something different. It's just that I got a letter from the company I expected to work for after graduation. They say they're awfully sorry, of course, but it seems as though a change in ownership and policy has made it necessary to break any commitments they had made to me previously. In fact, they promise nothing."

He turned to Joan fiercely. "I'd been counting on that job. I'll be darned if I play pro ball or take a teaching job." He stared moodily at his salad.

Joan winked at her father. J. G.'s laugh exploded through the room and Dan looked at him, somewhat hurt. He didn't notice Joan was smothering a grin.

"I don't get it at all," Dan said doubtfully. "Or have I lost my sense of humor?"

J. G. cleared his throat for another verbal barrage, but Joan beat him to it.

"Maybe I should have told you this before, Dan. . . . especially since it comes as a surprise. . . . She smiled slightly. "Don't look now, but you're dining with your future employer."

"I'm what with whom?" he asked.

"Acme Pottery Products," she announced. "It's now a unit of J. G. Johnson Industries, Inc. It was Pop's firm that bought it."

"Yes. . . . J. G. bought it. And you can disregard that letter. . . . just a firm sent out to all previous applicants for jobs. . . . Needn't worry one bit. . . . not one bit, I say. . . ."

Joan went right into that plant. "Better job than you expected, isn't it?" J. G. jabbed his cigar at Dan for emphasis.

A half-dozen ideas whirled through his brain as he looked first at Joan and then at her father. Things were moving almost too swiftly to comprehend. It was with an effort that he was able to pick up all the loose ends and tie them together.

"Well, what do you think about that, young fellow. . . . ought to sound pretty good to you. . . . pretty darned good, I say."

Dan smiled widely. "That's just the trouble, Mr. Johnson. You've hit the nail smack on the head. It sounds good."

He paused. "There. I want to thank you a lot, but I'm not going to be handed anything like that. I-I don't like gifts of that nature. . . . especially for something I don't really deserve. I've tried to tell you it was Joan who engineered our escape. I'm not taking a bit of credit."

J. G. snorted and bit off the end of a fresh cigar. "Hah! Pride. . . . just what I expected. . . . Won't do you a bit of good, though. . . . not a bit. People usually do what I say."

"Let you in on a little secret," J. G. added, noting Dan's apparent resentment at his last remark. "You come well recommended. Old Man Henderson, head of your ceramic engineering department, is an old friend of mine. . . . tipped me off that Acme Pottery was ripe and ready for a good buy. . . . and this is something even Joan doesn't know about. . . . he wrote to me a few days ago when he'd heard I'd bought the outfit. Asked what I might be able to do for the outstanding man in this year's class. . . . boy by the name of Webster!"

Joan's eyes glistened as she squeezed Dan's hand. J. G. was rattling on, but his words were falling on deaf ears. "Hey!" he finally burst forth, noting their utter unconcern. "I'll get 30 days for talking to myself, if I'm not careful."

Joan didn't even take her eyes off Dan as she gave J. G. a gentle hint. "Dad," she said softly, "Aren't you a little offside on this play?"

"Well, I'll be. . . . J. G. grinned. "Maybe I'd better go down for some fresh cigars. . . . before you penalize me for interference."

The End.

# NAVY BLASTS ARMY SQUAD FOR 10-0 VICTORY

## MIDDIES START ON WAY TO WIN WITH FIELD GOAL

Three Ace Backs Pace Tars To Fifteenth Triumph Over Cadets

By Bill Bond  
MUNICIPAL STADIUM, Philadelphia, Dec. 2.—Navy used thirteen backs in its 40th football game with Army today. But three of them were enough to bring the Middies their 15th victory by a score of 10-0 and send the Municipal stadium goal posts tumbling down before an onrush of 2,300 midshipmen.

Before a crowd of 104,000-200 pound Cliff Lenz drove through and around an outbacked Army line to put the Sailors in position for a first period field goal.

Then, Bob Leonard kicked that field goal from the 25-yard stripe, and the game that could save a midshipman's Navy. The Middies made the most of it. With Lenz packing the punks on ten out of 14 plays, they drove 50 yards in the first quarter from their own 33 to Army's 17. There, Lenz grooved from the punting line, taking from Army's backfield and the Navy's defense.

The sophomore from Gloucester, Tex., stayed in for just one play. He went back to the 25-yard line and with Whitehead leading the ball, kicked it square between the uprights 35 yards away from a bad angle.

Came the third period and Navy started rolling again. Lenz, making one of the Middies' few interceptions on the ball back 18 yards to Army's 11. Following a punt exchange and the Middies, taking the ball on their 47, scored in eight plays. The last play, the 21 for the first time in the first play of the first quarter, as Shafer broke through a hole at his own right tackle, took the light and crossed the goal line just before the corner flag.

Leonard came in again, made good the extra point kick and stayed in for another play before returning to the side line.

Army had been a factor before the kickoff. Still, Navy made eight first downs to the Soldiers' six. One of Army's came in the last half. It was a 10-yard gain by a string of back from Ed Meyer, to a string of Johnny Hanks' tailback again in the final period. He threw two passes that covered a total gain of 45 yards and took Army to first down on Navy's 30. But Navy's defense was Point fullback, hitting the middle in two and it was first down for the Middies.

"Two minutes to go," thought the Army rooters, "and ample time for a touchdown that'll at least put us in the ball game." The sum of sound died down to a whisper all in a moment.

Frankley failed back to pass. From all sides, it seemed, Navy's punter in on him. As he disappeared from sight behind a jumble of muddy golden jerseys, the ball was knocked out of his right hand, all cocked for the pitch that never came. The ball went bounding back past the 30, then the 20, and Bill Montgomery, Navy end from Glendale, Calif., finally dropped it on it on the 36.

That was Army's finish, but just to drive home the kicking, Mayo on the last play of the game, pulled another Frankley pass out of the air and ran it back 25 yards to the Army 20.

Navy marched down for its field goal the first time it got the field. Allen Berger, who was one of the outstanding players in the Navy line, kicked off, and Hanks, behind a clean blocking, came back 21 yards to the 32. He kicked on the 32 and Whitehead returned the punt to the Navy 33. Lenz, from left to right, smacked the line for 3, turned the end for 5, and went back into the center for first down to the 40. Phil Gutting and Whitehead relieved him on the next two plays and made it another first down on the 42. Back came Lenz and

Two plays later the Middies were 10 yards further along.

Once more Lenz moved into the tail-back spot. This time he wheeled around Army's right end for 19 yards before he was dumped out of bounds. They called that one back for offense, and showed Navy back 5 yards. Three plays later it was fourth down with 5 to go. Lenz made six.

That play hurt his legs. He went out three plays later. Leonard came in, and the field goal put Navy in the lead.

When Leonard went out, Shafer, from Oberlin, O., took over. The next time the ball came into Navy's possession it was Shafer, Shafer, Shafer, and in three plays, one for 17 yards through guard, the 135-pound senior had taken the pigskin to a first down.

That attack petered out and for almost all of the second quarter the game resolved itself into a punting duel. With Army missing ground steadily on the Hatch-Shafer exchanges and finally with the help of a 15-yard clipping penalty on the Middies along the way, pushing their rivals back to their own 10-yard line.

After making 5 and losing it on offense, the Middies tried another punting play and Shafer was smacked back on his six. That meant he had to kick out of his end zone on fourth down. The half ended with a Navy pass interception.

Midway of the third period Army scored 41 yards in a Hatch-Shafer drive. Shafer, who was the star of the game, was smacked back on his six. That meant he had to kick out of his end zone on fourth down. The half ended with a Navy pass interception.

## CLARKS SCHOOL HAS 4 PLAYERS ON HONOR TEAM

Lake Providence Places Three On Mythical First-String Eleven

The northeast Louisiana Class B football committee yesterday announced its selections for the mythical all-northeast Louisiana district Class B team, with the Clarks High School Lumberjacks, district champions, predominating the selections by placing four players on the first team.

The Lake Providence Panthers, runner-ups for the district crown, placed three players on the first team, while Delhi, Newellton, Ferriday and Choudrant each placed one boy on the No. 1 team.

Clarks and Lake Providence produced the top backs, Ernest Meredith, Clarks' ace ball carrier, and Eldridge Loflin, the "Jacks' outstanding blocker, were named on the first team, along with Charles Surles, quarterback of Lake Providence, and S. E. Holloway, Panther halfback. Surles, who topped the district's scorers with twelve touchdowns during the season, was named the all-star player.

Walter Perkins, Clarks' stellar tackle, and G. Lee, of Choudrant, won the tackle posts although they got good competition from L. Hart of Newellton and S. Hopkins of Olla-Standard. Victor Cross, of Ferriday, beat out Leo Lively, of Lake Providence, for the right terminal, while Pete Vines, Newellton, bested R. Fuller, Delhi, in the voting for left end. H. Nelson, Lake Providence, and L. Cooksey, Clarks, were named as No. 1 guards, and W. Hurley, of Delhi, won the center post.

## GRID STAR SHOT

Walter (Bud) Lyons, star fullback for Colorado State college, was seriously wounded by two bullets fired by Lou Jeanne Vannorsdel, his coed sweetheart, who, infuriated by his declaration that he didn't love her any more, bought a .38 caliber pistol and shot him down.

This year All went to the same man and all went for touchdowns. . . . Lincoln (Neb.) High has won three straight grid championships and wants to know if that isn't a record?

One report today says Doc Sutherland is going U. of Washington. Another says he'll coach the Brooklyn football Dodgers. Take your pick.

George Lott, the ex-tennis star, is down at Bermuda showing the boys and girls how to make a golf ball talk. . . . William Ziegler, Jr., had El Chico insured for \$20,000.

## EAGLES OVERPOWER CRUSADERS, 14 TO 0

By Bill King  
BOSTON, Dec. 2.—(AP)—With the unkind weather as their 12th player, the rugged Boston college Eagles overpowered Holy Cross' brilliant team, 14-0, in their annual bruising battle fought in a misty drizzle before a packed crowd of 40,000 at Fenway park today.

The victory enabled the Eagles to close their regular season with a slate that bears only one bad mark—a 7-0 defeat at the hands of Florida early in the season. Holy Cross' only previous defeat was at the hands of Louisiana State in its second game of the year.

Living up to their reputation as strong finishers, the Eagles failed to score until the first play of the final period, when big Pete Cignetti smashed inside his right tackle from the three-yard line to put a touchdown finish to a 32-yard march. A short time later, Gene Godreault, by far the best of the many fine ends who appeared in the game, and Captain Ernie Schwotzer blocked one of Ronnie Cahill's punts on the 15-yard line and the B. C. leader fell on it in the Holy Cross end zone for his team's second touchdown.

Boston college supporters regarded the outcome as the clincher for one of the post-season bowl invitations.

## WAVE WINS TILT IN LAST QUARTER

(Continued from Eighth Page)

For the first time in several years, the fighting between Tulane and L. S. U. was confined to the football teams. In spite of reports of ill feeling started by Tulane's refusal to allow the L. S. U. cadet corps to parade on the field before the game, the crowd was orderly and sportsmanlike, each side cheering the other's heroes heartily.

Sports writers at the game freely predicted that Tulane and the undefeated Texas Aggies would meet here New Year's day as Sugar Bowl contestants. An official announcement of the teams is expected Monday, but Sugar Bowl officials have not said publicly when they would make the names known.

Bob Kellogg was carried off the field after being hurt in the last of the third quarter. He suffered a twisted knee but his condition was reported not serious.

This brought forebodings to Tulane supporters, for the Jitterbug has been Tulane's sparkplug, but Bob Glass, big sophomore, took his place and showed shiftness and drive in his running. Glass is expected to take over Kellogg's chores next year.

Tulane's pass defense was impregnable on most occasions, but when L. S. U. losers did hit the receivers it was usually for long gains.

L. S. U. tried all kinds of plays, including several statue-of-liberty runs from fake passes of quick kicks, and once Hightower went around left end for 11 yards without interference as the rest of the team, and most of Tulane's, ran toward the other side.

## FORDHAM EXPLODES OVER VIOLET SQUAD

NEW YORK, Dec. 2.—(AP)—There was a slight explosion in the second half of the annual football "battle of the Bronx" at Yankee stadium today. It was Fordham's power coming to life.

And when the pieces were all put together again in the rain and the fog, there was Fordham with an 18 to 7 victory over New York university in the 50th anniversary clash of these neighborhood gridders.

For two periods, it appeared Dr. Mal Stevens, N. Y. U.'s professor of gridiron magic, might pull another rabbit out of the hat against the 1 to 3 favorites as the Violets took an early lead. But when that Ram dynamite went off in the faces of himself and his gallant lads, the rabbit stayed right where they were.

Some 35,000 customers were on hand for the show in miserable weather. The game marked the end of the collegiate careers of two of the greatest local backs in years, Ed Boell, N. Y. U.'s triple-threat, and Don Principe, driving powerhouse of the Rams. Boell was the mainstay of the Violets' offense, passing for their lone touchdown in the second period, and Principe piled over for two of the Rams' touchdowns.

Sophomore Jim Blumenstock scored the other Ram tally on a 39-yard run.

CHEERS IN VAIN  
DALLAS, Dec. 2.—(AP)—There were football thrills aplenty in Cotton Bowl stadium today, but the roar of the crowd didn't make a sound. It was the "finger bowl" game between the Arkansas and Texas schools for the deaf. Arkansas won, 27-19.

Officials: Dr. W. L. Bendel (Tulane), referee; "Sport" Grafton (La. Tech), umpire; J. B. Swanson (La. Tech), head line-man; and Hal Willis (La. Tech), field judge.

By Eve Bradford

THE Yule season has arrived in Monroe, and with it a new tempo in society activities. Numerous parties are planned for the holidays, and the city is preparing to celebrate the season in a big way.

At a recent party given by Robert E. Loring at the Sewance, Mary Stuart Kellogg and Barbara Faulk were guests. The party was a success, and the guests enjoyed the evening very much.

### Readers Clique Holds Meeting

Mrs. Leon Dennis charmingly entertained members of the Readers Clique in her home Monday afternoon, the meeting being held on this day in place of their regular day, which fell on Thanksgiving day.

A pleasant feature of the afternoon was a book review on "Wine of Good Hope" by David Rame, given by Mrs. Mike Jones. She said in part:

David Rame, a young South African, in this book gives us a book of wine history. The wine country, Cape Town, is the center of the world for a long time, and the mental agitation of the people of Cape Town...

# 'Private Lives Of Elizabeth And Essex' At Paramount

The increasingly popular young Jimmy Kildare has two women on his hands in the latest of the "Dr. Kildare" series, "The Secret of Dr. Kildare," which comes to the Paramount screen Friday and Saturday. At his left is Helen Gilbert and at his right, Laraine Day.

"I must no man—particularly one I love." Which gives you just a glimpse into "The Private Lives of Elizabeth and Essex," starring Bette Davis and Errol Flynn in their new technicolor co-starring film playing today, Monday and Tuesday at the Paramount theater. The supporting cast is headed by such players as Olivia de Havilland, Alan Hale and Donald Crisp.

## DR. J. Q. GRAVES' NEPHEW PROMOTED

Graves Blanchard Erskin, son of Mr. and Mrs. B. E. Erskin of Columbia, a brother of Mrs. J. W. Caldwell, associated with the Monroe Building and Loan, and George B. Erskin, sheriff of Caldwell parish, and nephew of Dr. James Q. Graves of this city, was promoted December 1 as colonel in the United States marine corps.

Colonel Erskin, with Judge David L. Garrett of Monroe enlisted in the United States marine corps as second lieutenant when the United States declared war against Germany. He was then a senior at Louisiana State university.

He was sent over seas and assigned to the second division of the marines. His division participated in some of the fiercest engagements on the western front, Chateau Thierry, Argonne forest and Belleau woods. In the battle of Belleau woods he was seriously wounded. For his bravery while in action he received several citations. At the close of the war he preferred a military career, and remained in the marine corps. Since then he saw military service in San Diego under General Smedley Butler, and in Nicaragua with Colonel Frank Garrett of Monroe, and a brother of Judge David L. Garrett. More recently in China, where he was connected with the intelligence department. Since having been ordered back to the states he is now stationed at Quantico, Va., near Washington, D. C. The United States bureau of fisheries estimates the states collected \$10,220.75 for small game hunting, fishing and trapping licenses in 1938.

**New Withers Film Plays At Capitol**

**Young Star Supported By Fine Cast In "Pack Up Your Troubles"**

**THE CHANCE** of a lifetime to "Pack Up Your Troubles" in your old kit bag and howl, howl, howl awaits you down at the Capitol theater, where Joyous Jane Withers arrives today in the new 20th Century-Fox comedy of that title, with those riotous Ritz Brothers tossed in to guarantee you a maximum of fun. Yes, Jane's the bravest little marmoset in all France—and the Ritzes are in the army now! Being the Ritzes, of course they take the liberty of telling the general off, with results that provide the picture with one of the funniest punch lines in the memory of this reviewer.

The Ritzes, a trio of out-of-work vaudevillians, enlist and are sent to France on a transport as nursemaids to a herd of army mules, under the supervision of hard-boiled Sergeant "Angel Face" Walker.

They make friends with Jane, by way of their pet baby mule, Margie, and "Angel Face" makes friends with a French lovely, in the person of Lynn Bari, who turns out to be a spy.

Of course, the Ritzes get all mixed up, and Jane provides plenty of thrills with her bravery, while trying to save her father, Joseph Schildkraut.

Jane delighted last night's audience with two grand new impersonations—George M. Cohan, singing "I'm A Yankee Doodle Dandy," and Eva Tanguay, singing "I Don't Care." She also sings "Who'll Buy My Flowers?"

AS HE SWUNG, SUSPENDED BY THE ROPE IN THE OLD WELL, DICK TRACY HAD TO THINK, AND THINK FAST! SUDDENLY, HIS FINGERS TOUCHED HIS WRIST WATCH.

HE OPENED THE WORKS SIDE OF THE WATCH. HE WRENCHED THE WORKS LOOSE FROM THE CASE. USING THE PROJECTING COG OF THE MAINSPRING AS A CUTTING EDGE, HE SAWED AWAY.

## KRAAL OF DEATH

A HUNGRY LEOPARD SLUNG DOWN FROM THE MOUNTAIN AND INVADDED THE VAN BOEREN KRAAL. ITS SHARP FANGS SAW INTO THE BACK OF AN OX.

INSTANTLY ALL THE CATTLE WERE THROWN INTO A PANIC.

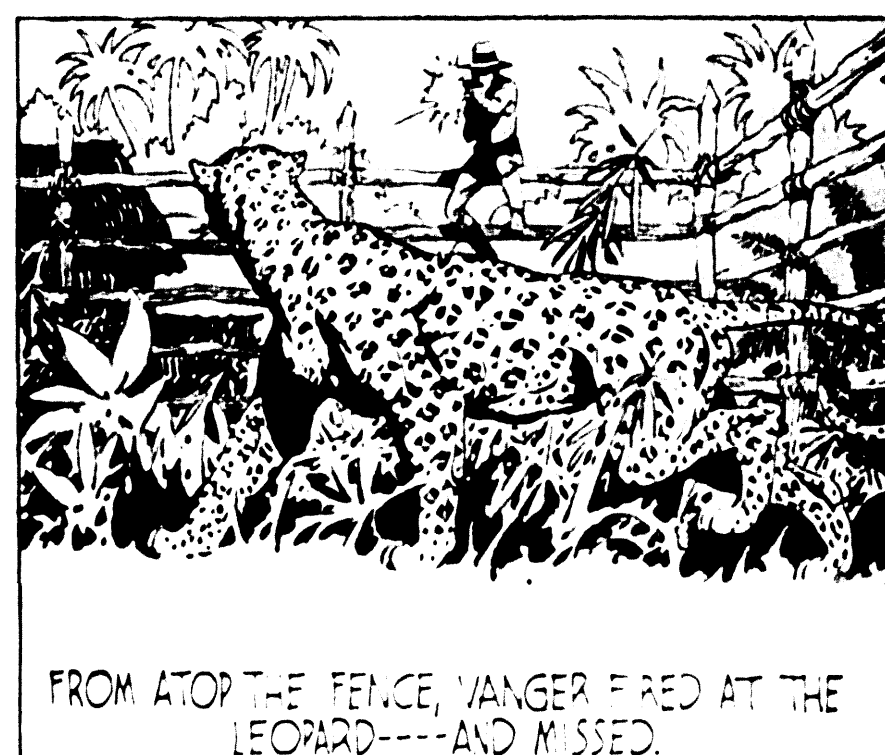

KLAAS VANGER WAS THE FIRST TO HEAR THE BELLOWING THUNDERING TUMULT. HE GUESSED ITS MEANING.

ANXIOUS TO WIN THE FAVOR OF THE VAN BOERENS HE GRABBED A RIFLE AND DASHED TO THE KRAAL.

MEANWHILE TARZAN, SLEEPING ON THE VELOT, HEARD THE uproar. HE, TOO RAN TO THE KRAAL.

FROM ATOP THE FENCE, VANGER FIRED AT THE LEOPARD---AND MISSED.

THEN TARZAN ARRIVED AND CLAMBERED UP THE FENCE. VANGER TURNED. HERE WAS HIS HATED ENEMY!

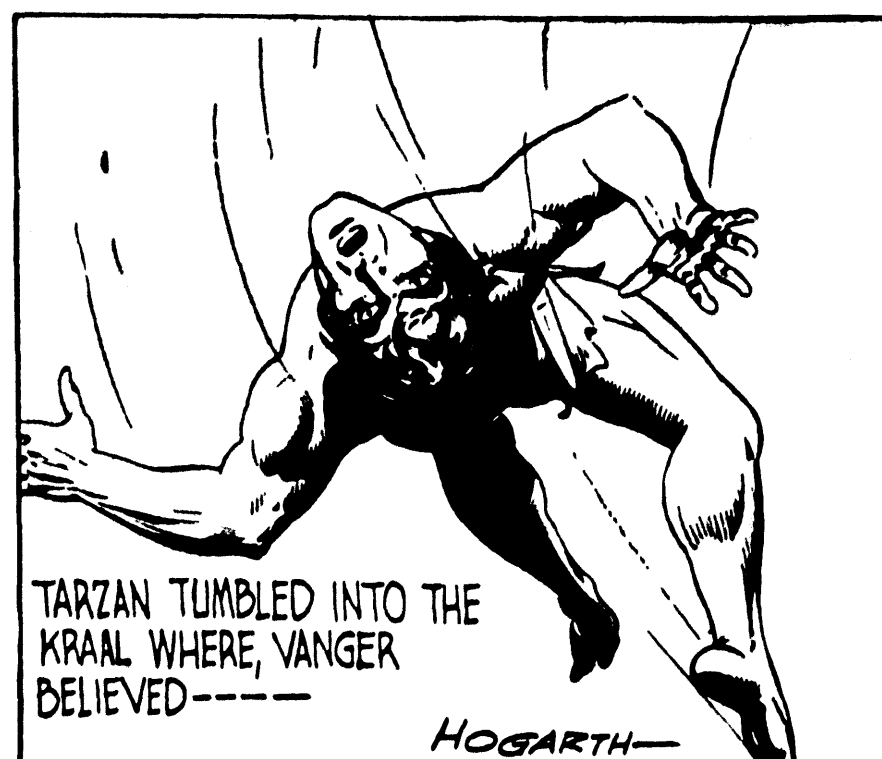

HE WAS ABOUT TO RAISE HIS GUN AND FIRE, BUT CRAFTY CAUTION STOPPED HIM.

NO! TARZAN'S DEATH MUST APPEAR ACCIDENTAL. A PLAN FLASHED IN THE VILLAIN'S MIND.

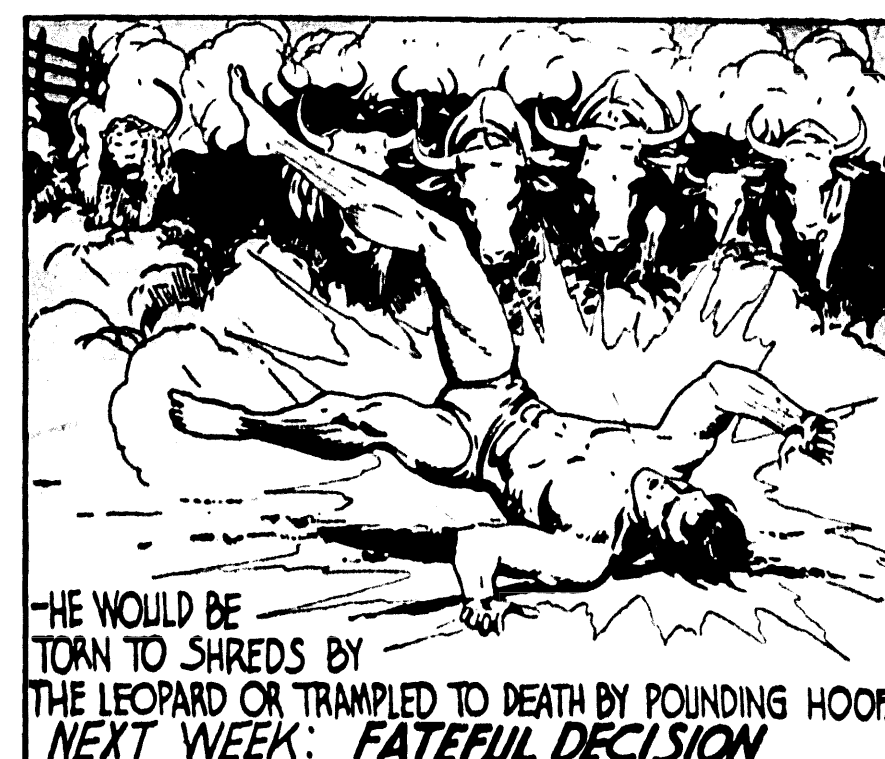

PRETENDING TO LOSE HIS BALANCE HE LURCHED AGAINST THE APE-MAN.

TARZAN TUMBLED INTO THE KRAAL WHERE, VANGER BELIEVED-----

HOGARTH

HE WOULD BE TORN TO SHREDS BY THE LEOPARD OR TRAMPLED TO DEATH BY POUNDING HOOPS! NEXT WEEK: FATEFUL DECISION

## ALLEY OOP

TO ESCAPE CAPTURE BY THE GREEKS, OUR FRIENDS STUMBLED INTO A TROJAN TREASURE CELLAR WHERE, TO DR. BRONSON'S AMAZEMENT, ALLEY OOP TURNED UP WITH 'EXCALIBUR' THE WONDERFUL SWORD OF THE FABLED KING ARTHUR OF ANCIENT BRITAIN

'EXCALIBUR'! HE'LL SAY THIS IS A SWELL SWORD... THE WAY IT SLICED THROUGH THAT STONE WALL!

BUT, DOCTOR WHO WAS KING ARTHUR?

THAT'LL BE DIFFICULT TO EXPLAIN, CONSIDERING WE'RE NOW IN THE BRONZE AGE, SOME FIFTEEN HUNDRED YEARS BEFORE HIS TIME—

BUT I'LL DO MY BEST...

ARTHUR IS THOUGHT TO HAVE BEEN THE FIRST OF BRITAIN'S GREAT KINGS... HE IS SUPPOSED TO HAVE APPEARED ABOUT THE YEAR 500...

...AND IS NOTED CHIEFLY FOR HIS DEEDS OF VALOR AND HIS GLITTERING COURT OF GREAT WARRIORS, THE KNIGHTS OF THE ROUND TABLE...

IT IS SAID THAT HE DROVE OUT THE SAXONS, CONQUERED IRELAND, ICELAND AND NORWAY, ROUTED THE ROMANS IN GAUL AND OCCUPIED PARIS....

MUCH CREDIT FOR HIS MILITARY SUCCESS IS ATTRIBUTED TO HIS SWORD, 'EXCALIBUR', WHICH HE ALONE, OF ALL MEN, WAS ABLE TO WITHDRAW FROM A BLOCK OF SOLID STONE.... WHERE 'EXCALIBUR' CAME FROM IS NOT KNOWN, BUT...

...AS SOME THINK BRITAIN WAS COLONIZED BY DESCENDANTS OF TROJAN REFUGEES, THIS MAY WELL BE THE SWORD OF THE KING ARTHUR LEGEND

BY GUM, IT LOOKS LIKE I'M COMIN' OUTA THIS HOLE WITH A TREASURE SURE NUFF!

AND ME TOO... THIS GOLDEN HELMET IS JUST GORGEOUS!

BUT GOODNESS—IF THERE WAS ONLY SOME WAY FOR US TO TAKE ONE OF THOSE CHESTS OF JEWELS!

YES, COOLA, IF WE COULD GET IT BACK TO THE TWENTIETH CENTURY, WE REALLY WOULD HAVE SOMETHING...

...BUT OF COURSE THAT'S OUT OF THE QUESTION

HOW D'YA FIGGER THAT? SHUX, DOC, YOU YOURSELF SAID NUTHIN' WAS IMPOSSIBLE

BUT, ALLEY, THEY'RE MUCH TOO HEAVY EVEN FOR A MULE!

WELL, I AIN'T NO MULE, BUT PHOOEY...

...JUS' WATCH ME POP THIS LI'L OL' BOX RIGHT UP OUTA HERE!

THERE Y'ARE, FOLKS—NOW ALL WE GOTTA DO IS TOTE IT TO WHERE Y'WANT IT
